DIVISIONS

Each team will select the division they wish to play in. Each division has been broken down by gender and grade. Proof of age or grade may be requested. Each division has a minimum and maximum number of teams allowed. If there are not enough teams in a division, teams will be moved to the most appropriate division.

TEAMS

Teams are allowed a minimum of three and a maximum of four players. All games must begin with three players on each team. Any number of players (1, 2 or 3) may complete a game. Substitutions must be made during dead ball situations.

GAMES

Games are played to 20 points or 20 minute limit, whichever comes first. There will be a 20 minute running clock except for the last minute of the game. (In last minute clock will start when ball is touched by someone other than the person checking the ball and their defender.)

SCORING

Each basket or free throw is worth one point, and a shot behind the three point line is worth 2 points. Each team is allowed one (1) minute time out per game. After each basket the ball will be checked behind the 3 point line and must be passed in to start play. On defensive rebounds teams must clear the ball back behind the top of the key. No pressing.

FOULS

Every foul will result in a single free throw with the opposing team receiving possession after the shot. Fouls on shots behind the three point line will result in two free throws.

SPORTSMANSHIP

Unsportsmanship behavior will not be tolerated (complaining about calls, profanity, fighting, and rough play). This may result in anything from technical fouls, ejections, forfeiture, or dismissal from the tournament without reimbursement. Court monitors will referee all games and their decisions are final! Rock, paper, scissors will determine who starts with the ball. Jump ball possession will alternate based on who started with the ball.

OVERTIME

Overtimes will be decided in a Free Throw shoot off.
